

# GUSD PORTAL

<https://portal.glendora.k12.ca.us>

The 'Portal' streamlines access to all the online resources available to students and teachers. Students and teachers have access to the portal. Teachers are encouraged to explore the large library of resources on the portal and ensure students can access them.

## PREREQUISITE:

In order for users to have access to GUSD Portal, they would have to have a login and e-mail account setup by the district and a working internet connection. If you do not have an account, please call the GUSD Student/Family Help Desk at (626) 385-5600. Phone lines are open Monday - Friday 8am - 7pm and Saturday 10am - 1pm. This service will be provided from August 20 - September 3.

## STUDENT ACCOUNTS:

Student usernames are in the format jsmith1234 (1234 is the last 4 digits of the ID number). This is the same username they use to log into Chromebook, Wi-Fi, and computers. Passwords will be in 1 of 2 formats, based on when the student was registered with GUSD.

**For students registered before 12/11/2019** their passwords will be their birthday in the following 6-digit format:

### Example for a Student Account:

Student Name: John Smith  
Student ID: 190701234  
Birthdate: 01/03/98

Username: jsmith1234  
Password: 010398

**For students registered after 12/11/2019** their passwords will be their birthday, capitalized first initial, and lowercase last initial:
