

Science Online Student Edition 2010

1. Log on to www.macmillanmh.com
2. Scroll down to the heading “Science” in the Program Resources section and click.
3. In the area “Select a program” select “McGraw-Hill Science 2008 Edition” from the drop down list
4. In the area “Select a State” select “California” from the drop down menu
5. Then press the “Go” logo next to the state
6. When you see all the textbook covers appear, scroll all the way down to the bottom to the “OSE online student version” logo and click on that.
7. Type in the user name and password. Note: All user names start with “casci” and then the grade level starting with a zero.
8. For example: The user name for the 4th grade text is “casci04”
9. The password for all grades is “redwood”
10. Click on “submit”
